

What will be your Catholic Legacy?

Through the Northern Michigan Catholic Foundation, our parish has a growing endowment designed to provide us with an annual gift *forever*. As our endowment grows, so does the size of our annual distribution. This sustainable gift will help us to remain vibrant and strong for generations to come.

Imagine...Your Catholic Legacy would support our parish year after year forever!

How can parishioners help to grow our parish endowment?

- Consider leaving a Catholic Legacy and naming our parish endowment in your will or estate plans.
- Talk with your family and estate advisors about your desire to leave a Catholic Legacy to your parish.
- In addition to parish giving, consider making an annual gift to the endowment.
- Support parish efforts to raise awareness for our endowment through special collections and other parish activities.
- Lead by example in sharing your passion for our church and in supporting our growing endowment fund.
