

NORTHERN MICHIGAN CATHOLIC FOUNDATION

AT A GLANCE

OUR MISSION is to financially support the spiritual, educational, and social needs of our Roman Catholic Community.

In fulfilling this mission, we serve the parishes, parishioners, Catholic Schools and faith communities of the Diocese of Gaylord.

OUR GUIDING PRINCIPLES

Directing our focus and guiding our work, we exist to:

Build Faith Communities

- We are focused on building Catholic faith communities through vibrant parishes, strong schools, focused ministries, and by working to address unmet needs.

Strengthen Our Catholic Values

- We use our Catholic values to guide our investments, our grantmaking, and our organizational direction.

Create Catholic Legacies

- The legacy of our donors and their faith journey guides our work and inspires all that we do. We work with donors to build lasting legacies for the parishes, communities, causes, and Catholic values that inspire them.

NMCF is an independent, 501(c)(3), nonprofit organization formed for the purpose of supporting the spiritual, educational, and social needs of the Roman Catholic community in northern Michigan.

NMCF ENDOWMENTS

WHAT IS AN ENDOWMENT?

A tool used to provide a perpetual benefit to a charitable organization. The core endowment is invested and earnings generated are granted back to the organization. Endowments are a successful tool to diversify long term planning for a charitable organization and provide for an annual gift each year.

WHY GIVE TO AN ENDOWMENT?

By supporting an endowment, donors can give a gift that will be used forever. Their generous donation supports annual distributions. Instead of being spent on one project or one program, an endowment gift lives forever.
