

NMCF Offers 25% Match Opportunity!

NMCF is offering a **25% match** on all gifts into an endowment held at NMCF whose beneficiary is a Catholic school, parish or organization located in northern Michigan. Maximum match **per organization** is \$15,000. NMCF has a total of \$45,000 to award this fiscal year.

This opportunity is being offered to current NMCF endowment funds AND newly established organizational endowment funds. This match opportunity is a great motivator to create new endowment funds for your parish, school, or Catholic inspired charitable purpose.

Examples of how to utilize the match campaign:

- A donor gives \$10,000 to their parish endowment fund – NMCF matches \$2,500
- A school directs \$15,000 to their existing endowment fund – NMCF matches \$3,750
- A new fund is established with \$60,000 through an organization wide donor appeal – NMCF matches \$15,000 (max match per organization)

DON'T DELAY! FUNDS WILL GO QUICKLY!

The purpose of this matching campaign is to **INSPIRE GENEROSITY** and **ENCOURAGE GROWTH** to Catholic endowment funds. As a result, NMCF is looking to match coordinated endowment campaigns that engage and inspire a broad range of donations into the endowment fund.

The first step in planning your endowment match campaign is to schedule a meeting with Christie Perdue.
